THE THOUGHTS OF THE CHAIRMAN...

Welcome to everyone joining us today at The Spiers & Hartwell Stadium for our fixture against Taunton Town. A very warm welcome to the directors, players, staff, and supporters who have made the trip to be with us.

Looking back at our recent run, the team has now played three of the top sides in the league. In every single one of those matches, we have competed extremely well and shown great character. The lads are putting in the work, and from what I am seeing on the pitch, I am confident that a well-deserved win is right on the horizon.

Today's opponents will certainly prove another tough test. We all remember our last meeting with Taunton Town on the final day of last season—a tense, hard-fought match where we needed a point to secure our place in the division. We got the draw we needed that day, and given how competitive both sides are, I can see another closely contested game ahead of us today.

Thank you all for your continued commitment to the club. Your backing makes a huge difference to the team, so please keep up the fantastic support from the stands today and get behind the boys!

Enjoy the game,

Brenzo

FORD'S FOCUS

Welcome to today's match as we extend a warm welcome to the players, management, staff, and supporters of **Taunton Town FC**. I hope everyone connected with the Peacocks had a safe journey up from Somerset and enjoys our hospitality this afternoon—though hopefully not the result!

Reflecting on our recent outings, the big message I am driving into the squad right now is that **consistency of performance is key**. We have shown in flashes what we are truly capable of, but the next step in our evolution is delivering those high standards week in, week out. It is a known fact that consistency is not always the case with a young team; youth brings incredible energy and fearlessness, but it also brings learning curves. What pleases me most about this group of players is that **we are eager to learn**, work hard, and correct our mistakes quickly.

Looking at the table and our journey so far, it is clear that **home form is key** to our success this season. **Most of our wins are ones won at home**, and turning our stadium into a fortress is exactly what will define our season. Playing in front of you, our home faithful, gives these young players a massive lift. We need to set the tempo right from the first whistle today, impose our game on Taunton, and match the fantastic backing you always give us from the terraces.

Enjoy the game, get behind the lads, and let's secure another massive three points at home!

Mike Ford
Manager, Evesham United FC

MATCH REPORT

Uxbridge 1-0 Evesham United | Pitching In Southern League Premier South |

Saturday 10 October 2026

Match report by Simon Purfield

Evesham travelled to third-placed Uxbridge, who had not lost at home since January. The visitors handed debuts to loan signings Max Asante-Boakye and Stephen Walsh, while Liam Hutt was injured during the warm-up and replaced by Rocco Sughayer.

The defences dominated the opening exchanges, with Evesham standing firm against the Uxbridge attack.

Uxbridge registered their first meaningful effort in the 14th minute, when Oscar Varney saved George Moore's cross-shot low at the back post.

Moore created another good opening after 25 minutes, but his fierce shot struck Evesham's Jyrel Bojang in the face, prompting a stoppage for treatment.

Chances remained scarce during the opening half-hour, and the goalless scoreline reflected the closely contested action.

Francis Amartey had a shot blocked from a narrow angle in the 34th minute. The game then burst into life five minutes later. Sam Deadfield chased the ball to the byline and delivered a fine cross, which Luis Le Paih met with a first-time volley. The effort looked destined for the net, but Varney's fingertip save diverted it onto the crossbar before the ball was cleared from beneath the bar. A minute later, after good work from Amartey, Moore rattled the post with another effort that was subsequently cleared.

As the half drew to a close, Evesham grew in confidence. During their best spell of the opening period, they moved the ball quickly into the final third and began to ask questions of the Uxbridge defence. The sides went into the interval goalless.

Uxbridge began the second half on the front foot. Their first chance came from a set piece in the 49th minute, when Massey headed narrowly wide from Deadfield's well-directed corner. Soon afterwards, Cole Brown reached the right side of the box and forced Varney to parry his cross-shot. The hosts remained in control, and in the 64th minute Massey again met a Deadfield corner, this time glancing his header wide of the far post. Four minutes later, Brown made a strong run before laying the ball off to Moore, whose low shot was deflected narrowly past the post.

With ten minutes remaining, a quick and incisive Evesham break ended with Sopuru Obieri firing past Sam Morris. However, to the home side's relief, play was brought back for an earlier foul in the build-up. The decisive moment arrived with four minutes of normal time remaining. Ciaran Martin broke down the left and crossed to Deadfield, whose shot was blocked. The rebound fell kindly to Francis Amartey, who took a touch before firing into the corner of the net to break Evesham hearts. The visitors pushed forward in search of a late equaliser but could not seriously test goalkeeper Sam Morris.

Evesham showed considerable determination against a side whose victory lifted them to second in the league. Ultimately, however, the late goal denied the Robins a valuable point. Evesham return to action at home against Bath City on Tuesday.

MATCH REPORT

Evesham 0 vs Bath City 2 Southern League Premier Division South

Tuesday 13 October

Match Report by Simon Purfield

Evesham United hosted fifth-placed Bath City, recently relegated from National League South, at the Spiers and Hartwell Stadium on Tuesday.

The first clear chance came in the tenth minute, when Harrison Minturn headed a right-wing corner towards goal. Evesham goalkeeper Oscar Varney parried it into the air before the defence cleared. Kai Churchley was the first to test Bath goalkeeper Wiles-Richards. After latching onto Amer Awadh's through ball, he cut inside Callum Wood to create space, but the keeper saved well with his legs and turned the ball behind. From the resulting corner, loan Richards headed straight at the Romans stopper.

The visitors squandered a superb chance after 24 minutes. Pedro Elawar beat Jyrel Bojang to a ball over the top from midfield and squared it to Harry Parsons, who somehow side-footed wide from 12 yards.

In the 41st minute, Richards nodded Churchley's looping free-kick over the bar. Soon afterwards, Wood headed onto the roof of the net for the visitors.

The match was goalless at half-time, although Bath had looked the more dangerous side around the edge of the box.

Bath took the lead early in the second half. Matt Bowman advanced down the left and pulled the ball back to Jordan Tillson, whose 25-yard shot glanced off Richards' head and wrong-footed Varney. Evesham manager Mike Ford was then cautioned for protesting over an alleged foul on Tom Conteh in the build-up.

Evesham raised their intensity after falling behind, and Aaron Heap saw a shot deflected following Conteh's long throw into the box.

Conteh was soon involved again, racing down the right and into the area before finding Brandon Liggett, who scuffed his effort. Evesham continued to rue their missed chances when Churchley spun and shot across goal after a good move, but no one was close enough to turn the ball in.

In the 73rd minute, loanee Stephen Walsh crossed towards Richards, whose attempted header was parried by the keeper.

Bath's much-travelled Reuben Reid fired through a crowd from Enzo Boldewijn's free-kick, but Varney claimed the shot comfortably.

The home side thought they had equalised when Wiles-Richards spilled Churchley's free-kick. Conteh appeared to kick the ball from the goalkeeper's hands before Liggett forced it home, but the goal was disallowed for a foul.

In the final minute of normal time, Richards beat Seweryn Streczen in the air, but Alex Fisher collected the loose ball on the edge of the box. Liam Hutt blocked Fisher's attempted shot, and the ball struck his arm for a penalty. The Evesham bench protested, claiming a handball in the build-up, before Fisher drove the spot-kick into the bottom-left corner beyond the fully stretched Varney to make it 2-0.

For the third successive match, Evesham played well but took no points, despite facing three top-five sides. They deserved more from those performances. Their next match is at home to Taunton Town on Saturday, with kick-off at 3pm.

CLUB HISTORY

The present Taunton Town Football Club was formed in December 1947 by a few local businessmen and played their first friendly fixture during Easter 1948. They then played on a number of grounds such as Mountfields, French Weir, Victoria Park, Huish Old Boys and finished up at Denman's Park, Haines Hill.

Having joined and played in the Somerset Senior League. The club gained admission into the Western League in 1953 and moved into Wordsworth Drive, where they continue to play today.

The club struggled financially and depended heavily on a very active Supporters Club during the late 50s and early 60s. 1968/69 saw an upsurge in the club's fortunes with manager Doug Hillard securing the Western League championship for the first time.

During the middle 1970s Ron Gingell became manager and the club were runners up for four consecutive seasons. In 1977 the club were elected and they became a limited company in 1981. The new board soon decided that Southern League football was too expensive and the club reverted to the Western League in 1983. Seven years later the championship pennant returned to Wordsworth Drive under the management of Keith Bowker.

In 1994 the team then managed by Terry Rowles battled through to the F A Vase final at Wembley Stadium but Diss Town won the trophy in extra time.

Russell Musker was appointed manager in November 1994 and another championship followed in 1996. After two seasons as runners up three consecutive titles followed together with the club's first ever Cup success – a 2 – 1 victory over Berkhamsted Town in the F A Carlsberg Vase final at Aston Villa's newly modernised Villa Park stadium. This ended a sequence of 18 defeats in cup finals since the 1950s. Another Cup victory was achieved in 2003, lifting the Somerset Premier Cup for the first time with a 2-1 win over Yeovil Town in a final played at Clevedon Town's Hand Stadium.

CLUB HISTORY

Peter Beadle took over as Manager in 2005 but left after only 14 games to join Newport County and former Hallen manager Gary Domone stepped into the hot seat – after a disappointing start results began to improve and the club won its second Somerset Premier Cup by beating a strong Mangotsfield United side at Weston super Mare. Domone resigned as Manager in December 2007 and was replaced by Ian Jones, who himself resigned in April 2009.

Former player Paul West, who lifted the F A Vase in 2001, took over and rebuilt the team with a local emphasis. West left the club in May 2012 and was replaced by Leigh Robinson. In the previous season the club finished with a run of nine consecutive victories culminating with the club's third Somerset Premier Cup triumph, beating Frome Town 1-0 in the final played at Paulton Rovers FC. This was especially notable as no goals were conceded in five games.

In July 2010 Tom Harris stepped down as Chairman after 29 years and was replaced by Kevin Sturmey who also took on the roles of Chief Executive and Head Groundsman. Since then the club have made major improvements on and off the pitch, continuing to maintain the ambitions to play at a higher level.

Off the field the club suffered a major blow in July 2011 when the clubhouse was badly damaged by a fire which was caused by an electrical fault – what remained of the clubhouse was extensively smoke damaged and the whole building had to be demolished. A mobile bar was brought in on matchdays but the following year a modular building was opened despite the original builder going into administration.

2014-2015 was one of the most successful seasons in recent history with fourth place in the League, and the retention of the Somerset Premier Cup, beating Yeovil Town in the final. We also retained the Southern League Groundsman of the Year award and were in face voted the second best club at Step 3 & 4. Our programme also won a prestigious award being voted the best in the Southern League and 18th nationally.

CLUB HISTORY

The club reached the play offs for three seasons in a row but finally it all clicked and the West Division title was clinched by a massive 19 points with only one League defeat all season.

Manager Leigh Robinson left in September 2018 but the club maintained its successful run under head of football Rob Dray, assisted by coach Matt Villis. The club finished runners up in the Southern League Premier Division South, but lost out to Poole Town in the end of season play offs as well as reaching the Fourth Qualifying Round of the FA Cup before losing 1-0 to Billericay Town in a replay.

After two seasons which were curtailed due to the coronavirus pandemic the club won the Southern League Premier Division South in 2021-22 which elevated the club to the National League South, its highest level ever. The first season was seriously disrupted by Cup runs and bad weather but the club finished just below half way, an incredible effort. The second season also started well but a combination of reasons saw the club finish in a relegation spot so we returned to the Southern League.

The first season back in the Southern League we finished in a respectable ninth position but last season was more of a struggle but we managed to retain our Premier League South status thanks to a run of 8 unbeaten games including 5 successive wins, beating the top three sides for good measure.

Richard Luffman resigned as manager in November and was replaced by the vastly experienced Gary Johnson.

**By Matthew Badock,
Editor, The Non-League Paper**

ONE GAME – possibly two if it goes to a replay – away from the dream draw. This week, 64 Non-League teams will fight it out for a place in the FA Cup first round. Leicester City at home? Sheffield Wednesday away? It won't happen if you're not in Monday's draw.

In many ways, the fourth round qualifying has the feel of the first round proper these days, with so many ex-Football League club names scattered throughout Non-League's top two tiers.

And it promises to be an action-packed Saturday.

Step 4 AFC Rushden & Diamonds are, of course, the next guise of the former Football League club and they take on Morecambe this weekend after knocking out National League South Braintree.

"The club are absolutely buzzing," boss Elliot Sandy said. "It's a fan-owned club so there are so many volunteers working tirelessly to make the club run like it runs.

"I get the easy bit. We work hard but we've just got to concentrate on the football. Without all the people behind us, it would be impossible to do what we're doing on the pitch.

"I thank all the volunteers regularly because without them we couldn't do what we're doing at the minute."

Stafford Rangers are also a Step 4 side dreaming big – they've already seen off Hereford and Halesowen to set-up a trip to struggling Gateshead.

Boss Graham Deakin said: "I am so confident in our group. Regardless of the troubles (Gateshead) have off the pitch it will be very difficult but we go there full of confidence – we have to with the start we have had.

"We can only control what we can control. If we are on it then we will give anyone a game, I really believe that. Hopefully we can cause another shock."

For some it's about avoiding a shock. Chorley boss Andy Preece will take on his boyhood club Worcester City, the place his career began and a club he managed in the FA Cup second round against Huddersfield.

"Without Worcester City I wouldn't have had the career I have," Preece said.

"I was 17 when I made my debut against Scarborough at home from the bench. I could not breathe! The game was so fast. I probably touched the ball four times."

Leatherhead host Yeovil Town in another eye-catching tie, FC United are making the short trip to Altrincham.

Then there are the two remaining Step 5 sides. SE Dons, who beat Weymouth to reach this stage, are off to Sholing and Tadley Calleva make the short trip to Aldershot Town.

"Tadley is a small village," manager Joe Lawler said. "We continue to be underdogs. But it's all about the magic of the FA Cup and trying to dream big. We've done that this year and we've had a superb run. We'll go to Aldershot full of confidence, and we'll give it our best shot.

"We've beaten the odds in the last two years, and being in the first round draw would just be another magical thing for the club."
