THE THOUGHTS OF THE CHAIRMAN...

Good afternoon and a very warm welcome back to the Spiers & Hartwell Stadium for today's clash against Gosport Borough.

First and foremost, I would like to extend a warm Evesham welcome to the players, management, officials, and travelling supporters of Gosport Borough who have made the long journey up from Hampshire today. We hope you enjoy our hospitality this afternoon and wish you a safe journey home after the final whistle.

Every season brings its share of tests, and right now, the single most important thing for this football club is unity. Football is a game of fine margins—a deflected shot, a tight offside call, or a lapse in concentration can swing momentum in an instant. When results or performances demand every ounce of character we have, the strength of a club is measured by how tightly everyone pulls together.

In the dressing room, Mike, the coaching staff, and the playing squad are working tirelessly to put things right and give you a team to be proud of. There is no lack of effort or commitment from the lads wearing the red and white shirt, and they know better than anyone what representing Evesham United means.

That is where all of us in the stands play a massive part. It is easy to sing when we are three goals up, but true support shows itself when the game is tight, when legs are heavy, and when the lads need an extra spark. Today, against a strong and well-organised Gosport side, we need the Spiers & Hartwell Stadium to be a proper fortress.

I am asking every single one of you to get right behind the team from the first minute to the ninety-fifth. Let's raise the roof, drown out the opposition, and make sure the players feel that backing every time they press, tackle, and attack. When this ground is loud and united, there is no better place in non-league football—and opponents genuinely feel the pressure.

Thank you, as always, to our incredible volunteers, sponsors, and loyal supporters who keep this club ticking week in, week out.

Stick together, make plenty of noise, and let's drive the lads on to a big performance today. Up the Robins!

Brenzo

FORD'S FOCUS

Good afternoon and welcome to the Spiers and Hartwell Stadium for today's fixture with Gosport Borough. I hope you have a safe journey home.

I cannot hide away from our recent run of results, they have been poor, we know and understood that they have to be better and they can be. I have virtually the same group of players that won six out of the first twelve games to give the club hope and optimism for the current campaign.

From the highs of the early season form we then field a team with a 17 year old starting up front and the centre forward playing left wing back, that's a symptom of the point in the season that we were at then. A place where we were losing games and apart from one brilliant come from behind victory it has been a struggle.

We don't have Alex Harris, Andre Wright, Ethan Dunbar and Levi Steele, they have moved on for their own reasons, and we are replacing them with teenagers.

For clarity myself and the staff are doing everything we can to put this right, again we're the same group that was responsible for the opening week's success's.

We have the youngest group in the division, I have protected them from the scrutiny and eyes of others, it's my job to. Internally it's the same, I was young once, I made an error of judgement that could have prevented me from having the career I have, I learned and moved on taking that with me for the next 40 years.

Those young players need protection. Of course there is frustration, but we need to work with them, not against them.

We know financially we cannot compete, and I respect the job that the chairman and board have done in providing a budget each week, it takes a lot of effort, time and resilience to provide it.

Finally, there are lots of reminders in the group that we have now and the one that went up two years ago. Players are still here, my captain has played 150 times for Evesham United, and others are also.

It's a game today which we can without doubt win. I talk a lot to the players about all committing at the same time, if we can do that today it will benefit us all. We have another opportunity today to win a game. When we come together this football can achieve great things, play off final victory, and we can again.

Enjoy the game,

Mike Ford
First team Manager

MATCH REPORT

Chippenham Town 4 vs Evesham United 2: Southern League Premier Division South
Match Report by Simon Purfield

Evesham United visited bottom-of-the-table Chippenham Town on Tuesday evening, hoping to build on Saturday's comeback win over Bracknell Town with a second successive victory.

The hosts went ahead in the seventh minute when Marley Rose fired from the right of the box into the far bottom corner.

United equalised three minutes later. Their high press paid off as Owen Foye won possession and found Stephen Walsh on the left. Walsh beat his defender and shot across the goalkeeper, the ball going in off the far post.

Chippenham responded with a Piotr Petrynski cross from the left that narrowly evaded Martell Taylor-Crossdale and Dylan Jones.

Soon afterwards, Brandon Liggett rose highest at the near post but headed Walsh's left-wing corner wide.

Chippenham regained the lead after 20 minutes. Bradley Selwood found Jones on the edge of the area, and his low shot crept past the diving Brendan Beard. Two minutes later, Selwood's long-range effort was deflected just wide of the top corner.

Rose then surged down the right and delivered a low cross for Taylor-Crossdale, who finished from close range to make it three.

The hosts made it four in the 37th minute. A flowing midfield move reached Rose, whose curling shot into the top corner left Beard with no chance. Jones nearly added a fifth after dribbling towards the box but fired just wide of the left post. At the other end, Kai Churchley shot well over shortly before half-time.

Evesham started the second half brightly. Foye's through ball sent Churchley clear, but his lofted effort over goalkeeper Witchard struck the post. Marcon replied with a long-range shot for Chippenham, though Evesham were largely on the attack.

Midway through the half, Aaron Heap's superb cross found Churchley at the far post, but he volleyed over.

Sup Obieri then shot out of the ground from the edge of the box. With ten minutes remaining, Witchard saved Anthony Mccormick's header well. Evesham deservedly pulled a goal back when the goalkeeper parried Josh Barlow's drive into the path of Thomas Conteh, who tapped in.

In the final action, Felix Miles linked up with Rose, whose shot was denied by a strong Evesham block.

Evesham's improved second-half display could not undo the damage of a poor first half, leaving them with a sixth league defeat in seven games. They next travel to Hanwell Town in west London on Saturday, hoping to get the season back on track.

MATCH REPORT

Evesham United 3 vs Bracknell Town 2 - Southern League Premier Division South
Match Report by Simon Purfield

Evesham United ended a run of six consecutive defeats in all competitions with a determined comeback victory over Bracknell Town on Saturday. A 91st-minute winner from Sup Obieri completed an impressive display of resilience from the young Evesham side. Bracknell made a fast start and took the lead after just four minutes. A cross from the left found Marcus Daws inside the area, to the right of goal, and he struck a precise first-time shot into the bottom corner.

Evesham responded in the seventh minute when Owen Foye delivered a deep cross from the left towards Thomas Conteh. However, Conteh's header went well wide of the visitors' goal.

Bracknell continued to apply pressure and doubled their advantage in the 13th minute. Harry Cooksley sent a low cross into the Evesham penalty area, where Bracknell captain Adam Liddle connected while sliding in to score.

Evesham appeared to be in danger of losing control of the match, but the hosts regrouped and gradually settled. Shortly after the half-hour mark, Josh Barlow played the ball to returning midfielder Lewis Middleton, who released Kai Churchley towards goal. Churchley beat a defender and shot past goalkeeper Gio Clarke. The ball then deflected off James Taylor and into the net.

Evesham continued to threaten during a strong spell. Stephen Walsh came closest when he cut in from the left and struck a goal-bound effort that was blocked on the line by the Bracknell defence.

A minute before half-time, Bradley Wilson shifted the ball onto his right foot and produced an excellent shot, which Evesham goalkeeper Brendan Beard tipped over the bar.
The second half was closely contested. A cross from Churchley found Ioan Richards at the back post, but his header was turned around the post for a corner. Rocco Sughayer and Player of the Match Beard then combined effectively to prevent a Bracknell attack from developing.

Just after the hour mark, Cooksley made a strong run into the area before seeing his angled shot well saved by Beard. A minute later, a Churchley effort rebounded to Brandon Liggett, whose follow-up was cleared off the line.

Evesham equalised in the 65th minute. Churchley drove into the area and saw Clarke push his shot into the air. The ball returned to Churchley, whose short pass found Conteh. From seven yards, Conteh fired into the bottom-left corner.

MATCH REPORT

Evesham United 3 vs Bracknell Town 2 - Southern League Premier Division South
Match Report by Simon Purfield

Bracknell almost restored their lead a minute later when Daws shot across Beard, but the goalkeeper tipped the effort over the bar. From the resulting corner, Daws sent a follow-up effort well over the goal before forcing another save from Beard soon afterwards.

With five minutes of normal time remaining, Casey Bocarro struck a powerful effort from 20 yards. The ball hit the bar, bounced down onto the goal line and was subsequently cleared by the Evesham defence.

With 90 minutes nearly played, Foye delivered a well-weighted free-kick into the area. Max Asante-Boakye flicked the ball on, but it struck the post.

Evesham completed the comeback in the first minute of added time. Obieri, who had been on the pitch for five minutes, collected a pass from Conteh. Although Clarke forced him wide, Obieri showed close control sorcery on Halloween to create an opening and finished confidently into the bottom corner.

The result represented a significant setback for Bracknell, who surrendered a two-goal lead. For Evesham, the victory lifted the team four places up the table and provided a substantial boost to confidence. Their next fixture is away to bottom side Chippenham Town in Wiltshire on Tuesday.

MATCH REPORT

Hanwell Town 2 vs Evesham United 1 – Southern League Premier Division South
Match Report by Simon Purfield

Evesham travelled to west London on Saturday amid a poor run of results to face a Hanwell Town side below them in the league table.

The Robins created the first chance in the seventh minute. Thomas Conteh beat a defender and drove into the box, firing narrowly wide of the right post from an angle. Neither goalkeeper was tested during an otherwise quiet opening half-hour.

In the 31st minute, Brendan Beard claimed a Hanwell free kick ahead of Henry Snee. The hosts threatened again shortly afterwards when Eddie Cooper and Ollie Turner combined to find Mekhi Savage. Beard spilled his shot, but follow-up efforts from Snee and George Knight were blocked.

Evesham took the lead in the 38th minute. Aaron Heap's excellent through ball down the right released Conteh, who ran into the box and was brought down by Gabe Cuthbert. Sops Obieri confidently converted the penalty.

Hanwell equalised moments later. Turner's corner found Knight at the far post, and he headed back across goal into the top left corner. The hosts kept up the pressure, with Dwayne Duncan heading wide from another Turner corner on the stroke of half-time.

Hanwell continued to press after the break. Beard tipped Cuthbert's close-range header from a Turner corner over the bar, then saved Snee's shot on the hour.

Chances were scarce in the final quarter, and Evesham looked set to leave with a point. But as the stadium clock showed 90 minutes, Snee collected the ball on the left, cut inside and fired into the bottom right corner.

Deep into injury time, Heap gathered the ball on the edge of the box and took a touch, but his weak shot went straight at Sam Beasant.

After seven defeats in eight league games, Evesham face two crucial home fixtures as they look to revive their season. They host Yate Town on Tuesday, with kick-off at 7.45pm.

He then went on to manage Oxford City (2009-2014), leading them to promotion to the National League Southern Division. He then moved to Banbury United (2015-2020), where he gained promotion from Evesham's level in 2016, before establishing them in the Premier Division from that point. He helped manage St. Ives Town in the 2021/22 season. Mike is a UEFA A-licensed coach who has experience working with and developing young players, including being the Oxford United Youth Team Manager.

Being deployed across the midfield, Heap made 113 appearances for the club before signing for Ardley United of Step 5 on dual registration in February 2026, though he made 2 appearances for the Robins in April amid an injury crisis, helping The Robins to retain Step 3 status.

CLUB HISTORY

Gosport Borough Athletic Club as the club were originally known, were formed just two weeks after D-Day in the summer of 1944.

Despite winning the Hampshire League at their first attempt in 1945/46, dropping “Athletic” in the 1960s, and over the decades being a major force in county football, silverware was rare at Privett Park and the title was not realised again until back-to-back titles in 1976/77 and 1977/78.

The two Hampshire League titles led to a successful application to join Southern League for 1978/79 and a period of 14 seasons in the (then) upper echelons of the non-league game began.

After four seasons at the top end of the Southern League’s Southern Division, promotion was won to the Premier Division for 1982/83 - at the time an equivalent level to the later Conference South.

Boro spent seven seasons in the Premier Division before relegation in season 1989/90. Despite surviving the following season, Gosport finished bottom in 1991/92 and were relegated back to county football (Wessex League).

The club competed for a couple of seasons and did lift the Wessex League Cup in 1993 but with the Club struggling for money, Chairman Ian Hay set up a trustee scheme which kept the club alive through their darkest days, helping to support the club with fans providing regular income.

At the start of the century, things started to turn for the better at The Boro.
Reserve team manager Mick Marsh was put in charge of the 1st XI and with the Club emerging from their financial difficulties, a return to the Southern League was back on the agenda. Marsh chased the dream for five seasons, finishing in the top four on four occasions before he retired in 2005.

Under manager Alex Pike, Boro won the Wessex League title on goal difference in Pike’s first season (2006/07).

CLUB HISTORY

With the club back in the Southern League in 2007/08, it wasn't until season 2011/12 that success came when Boro achieved third spot and a play-off place, winning the Play-Off Final after a Steve Claridge strike sent the game to extra time. Two goals without reply in the additional 30 minutes saw Boro promoted back to the Southern League Premier Division.

In season 2012/13, Pike's men enjoyed FA Cup success as a precursor to an unbeaten run of 23 games which lifted Boro into a play-off place.

Boro saw off second placed Stourbridge in the semi, before beating Hemel Hempstead Town 2-0 in the final only to concede two late goals before winning promotion on penalties. So the board's planned rise from county football to Conference South was complete and Gosport started 2013/14 again looking to establish themselves at a new level.

Like the season before, Boro struggled to find their feet at the new level and after flirting with the relegation zone for much of the season, it took another cup run to gain the belief needed to lift the team clear of danger.

An FA Trophy run which started in November, ended with The Boro playing beneath the Wembley Arch in a final against Cambridge United in front of over 18,000. The result saw United run out 4-0 winners, but the belief that flowed through the squad as a result of the Trophy run put Gosport back on track and lifted them into a comfortable mid-table league place.

The club were able to plough the financial windfall from the FA Trophy run back into the infrastructure at Privett Park. During the summer of 2014, a number of improvements were made including the installation of a new hospitality suite/club office building and a state-of-the-art pitch irrigation system.

A solid start to the 2014/15 league season saw Boro well placed in the league. The confidence gained from the league campaign helped the club finally make the First Round Proper of the FA Cup for the first time.

CLUB HISTORY

Boro hosted Colchester United of League One in a tie that attracted over 2,000. Gosport acquitted themselves well in a memorable match, but ultimately lost to the Football League side 6-3.

Boro were well placed for a play-off place until a little wobble in March saw them drop just too far off the pace - eventually finishing sixth. But the club did have the consolation of lifting the Hampshire Senior Cup for the first time since 1988 and seeing Justin Bennett pick up the award for the Conference South's leading goal-scorer.

The 2015-16 season got off to a good start, with the club pushing into play-off contention from the off. But as the New Year came, the club were hit with financial problems.

But the campaign did at least end on a high with a 2-1 win against AFC Portchester in the Russell Coates Cup Final, with talismanic striker Justin Bennett recording his 262nd and 263rd goals for Gosport.

In 2016-17 Boro were relegated to the Southern League Premier Division and former Portsmouth FC Chairman Iain McInnes took control of the club in the following autumn.

After a couple of narrow relegation escapes, the club consolidated under Lee Molyneaux in the 2019-20 season, but the pandemic put an outside hope of a late play-off run to bed and the club parted company with Lee in June 2020.

For the 2021-22 season Shaun Gale is the club's head coach, assisted by Ben Kneller and with the highly experienced Graham Rix as first team coach.

At the end of the 22/23 season Pat Suraci and Joe Lea were appointed head coaches and asked to take the Club forward achieving a play off position at the end of the 23/24 season.

AND then there were nine.
The FA Cup first round turned out to be fairly fruitful for Non-League clubs.
Yes, there were some heavy defeats from EFL clubs not wanting to get caught in the headlines. But we also enjoyed some memorable upsets and a decent progression of Non-League clubs into the second round. Seven clubs booked their place in the draw on Saturday – Step 3 Guiseley, National League South duo Dover Athletic and Salisbury, as well as National League foursome Kidderminster Harriers, Carlisle, Barrow and AFC Fylde.
Wimborne Town joined them on Sunday thanks to their upset of League Two Crawley Town and, on Monday night, Plymouth Parkway became the third Step 3 to join the party after winning the all-Southern League Premier South clash.
It could have been more. How it could have been. Altrincham ran Notts County close in thickest of fog, eventually losing on penalties, Hornchurch were pegged back against Blackpool and only fell in extra time.
On Sunday, Stafford Rangers led Grimsby 2-0 and then 3-2 in extra-time before seeing their dream finished in a shoot-out. Cray Wanderers led ten-man Stockport County 2-0 but suffered a late turnaround before extra-time defeat. When the dust has settled they will no doubt all look back with pride.
The second round draw delivered too. Dover – who upset Wealdstone 2-0 – pulled the big one out with a home date against former FA Cup winners Leicester City.
Wimborne's reward for their famous victory is League One high-flyers Bradford City, who stuck seven past Marine last weekend.
NPL Premier Guiseley beat Sutton to reach round two – and will now face Notts County at home.
The third team of the Step 3 trio, Plymouth Parkway, take on Barnet in the south-west.
Salisbury – fresh from seeing off Sholing – host Blackpool and AFC Fylde will welcome Luton Town.
Carlisle United's impressive win over Salford City sees them make the trip to last season's National League winners York City.
And then there's Kidderminster Harriers, who stuck three past Doncaster Rovers in their first round win, making the trip to fellow National League side Barrow, managed by former manager Adam Murray, in the only all Non-League tie.
The games take place in early December. Certainly one will be remaining. But how many more can join them?
